The office will look up your information and provide your log in information to you. Once you are home change your password. Use the information below to enter the Parent Portal. Bring this letter with you.

Please call 894.8181 prior to coming to the SPED office to ensure someone is present to help you.

After you have obtained your log in information:

Any wording or letter grades that are in blue is a link to additional information. Clicking on the teacher's name will allow you to send an email to the teacher.

Also, Student access is available now. There is only one PowerSchool userid/password per student. It is the responsibility of all student's legal guardians to coordinate the sharing and protection of these login credentials.

If ever prompted, do not choose to save your password, or you will no longer be able to log in. If for any reason you need to reset a PowerSchool userid/password, a parent/legal guardian must visit the Special Education Department Office with a photo id to have it reset.

Please verify the residential address and primary phone number we have on file when you come in to get your username and password.

TO CHANGE YOUR PASSWORD:

1. Log into Parent Portal and click on the left hand menu "Account Preferences".
2. Click on pencil to change your password.
